NEW HANDOUT OPTION

Handouts of the presentations are NOT included in the registration fee. Electronic copies will be available online prior to the conference for registrants to download and print themselves, or to follow along on their own laptop during the conference.

A link to download the handouts will be sent by email to registrants the week of the conference.

Hard copies of the handouts will be available by pre-order for \$10. Please pre-order by May 31, 2013. No additional handouts will be available to purchase the day of the conference.

PROGRAM PURPOSE

Pediatric trauma care poses unique challenges to providers at all levels. This conference will describe current pediatric-focused trauma management from pre-hospital care through discharge and ongoing health care concerns.

PROGRAM OBJECTIVES

1. Define tactical emergency medical services and the role of the paramedic in an unsafe scene.
2. Review the challenges of medical management of patients with penetrating injuries.
3. Discuss acute hospitalization and rehabilitation management of children with traumatic spinal cord injuries.
4. Recount the role of the trauma center in pediatric disaster preparation and response
5. Illustrate the management of current issues in pediatric trauma through case studies.
6. Discuss current strategies in the diagnosis, management and treatment of minor traumatic brain injuries.
7. Describe statewide initiatives in prevention of traumatic injuries and child abuse.

Child depicted in cover photo is not an actual Children's Hospital & Medical Center patient.

All faculty and planning committee members are expected to disclose to the planning committee and audience any significant relationships or financial interests.

EDUCATION CREDITS

CME

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through joint sponsorship of Children's Hospital & Medical Center and The Alexis Verzal Children's Rehabilitation Hospital at Madonna. Children's Hospital & Medical Center is accredited by the Nebraska Medical Association Commission on Medical Education to provide continuing medical education for physicians. Children's Hospital & Medical Center designates this live activity for a maximum of seven (7.25) AMA PRA Category I Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE

7.25 contact hours awarded by Children's Hospital & Medical Center.
Children's Hospital & Medical Center is an approved provider of continuing nursing education by the Nebraska Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Code: NE11-14 H45-485. No partial credit given. This program is approved for CNE credit through June 2014.

PT/OT/SLP/RT/other professionals

The content may be appropriate for up to 7.25 contact hours. A certificate of attendance will be provided for the conference. No partial credit will be given. Participants are expected to attend the entire event in order to receive a certificate of participation.

Children's Hospital & Medical Center has received Level II Pediatric Trauma verification from the American College of Surgeons Committee on Trauma (ACS-COT).
